An International Impact

Dear Friends,

I love to teach. I love to help children at our local public school with reading, math, and wherever they will let me volunteer. After having been on staff for the last 5 years, I have truly missed using that skill set which God has grown in me. In fact, in January 2010, I was writing in a journal asking God to help me find a way to use my teaching and mathematics skills and still be on staff with Campus Crusade for Christ. **Little did I know that He would answer that prayer directly and in a way that I never, in my wildest dreams, could have guessed.**

The school is just outside Budapest, in Diosd.

My staff position with Campus Crusade will take on a new flavor when we move to Hungary. The assignment God has given me is to teach mathematics to the 6th—8th grade students at the missionary school, the International

Christian School of Budapest (ICSB)! Not only will I get to teach my favorite subject, but I will also be able to influence these young students for Christ! The student body at the school roughly consists of 60% missionary children, 20% Hungarian local students, and 20% different ethnic groups that live in Budapest.

ICSB is truly international, as the students come from over a dozen different countries including: Korea, Poland, Estonia, Brazil, Bulgaria, France, India, Indonesia, Vietnam, Australia, Canada, Ukraine, New Zealand, Germany, Madagascar, Albania, Romania, China, Japan, Denmark and Hungary.

As a part of our team, you will be having a direct influence on these students, my children, and also the 20 nations that JR will be serving. Awesome! Thank you for praying for us and for being the backbone of our ministry!

Love,

Ingrid for the Peck Family

The school has about 250 students from 1st through 12th grade.

Prayer Requests:

- We have a lot to do in a short time. Pray that we would find renters for our townhouse. That we would sell things we aren't keeping. That we would make good decisions on what to bring to Hungary and that we can get it all done by June.
- Praise God with us that we have raised 96% of our monthly support and have just 4% to go.
- Pray for our children as they adjust to the idea of leaving Florida.

There is a lot more information about ICSB, Ingrid's role there as well as a link to a video all about the school on our blog at <http://ThePeckFamily.us>
