Prepared for Liftoff

Dear Friends,

Our God is Faithful! After working for a year to prepare to move to Budapest, Hungary, we are ready to go! On July 12th, our family will fly to Budapest and begin the journey God has called us to. The Lord provided the funding, renters for our townhome, a new home to rent in Hungary, safe travel in Arizona, a great goodbye time in Florida and Arizona, and great movers to get our things over the Atlantic! Our God is a God of miracles, a God who makes big things happen, and our mission is proof of that!

The Kids at the Grand Canyon.

We will be renting a home in Diosd, Hungary for the first year of our journey. Our permanent office mailing address in Hungary is as follows:

**New Life Eastern Europe
2040 Budaörs
Alsóhatár utca 14. PF. 103
HUNGARY**

When we arrive in Budapest, we will be almost immediately moving into our new place. In addition, since Europe operates on a different electrical system, we will be looking to replace many items

we sold in Florida. We will also begin language training with a tutor and hopefully purchasing a nice vehicle that can fit our family and other children in it for car pool purposes.

As you can see our next month will be filled with change! It will be an exciting time for us as we learn about this new country. Ingrid starts her math teaching position at the school on August 15th and I will be leveraging the power of technology to accelerate ministry in the 20 countries I serve. Please pray for all of these changes and know that you will be impacting ministry for Christ in Eastern Europe, Russia, and Israel as you partner with our ministry! We are excited to get to work in this new part of the world!

With Much Love,

JR for the Peck family.

We are excited about getting to work reaching the 20 countries of our area for Christ.

Prayer Requests:

- Pray we are able to find a refrigerator, washing machine, Lord willing a dryer, and a good car.
- Pray that we quickly acclimate to learning how to do the basics of life in Hungary and our container arrives safely.
- Pray we learn the language early on, move in quickly to our new home, and have safe travel in a new country.
