Pray for Ukraine

Dear Friends,

Last year Natalia was a part of the leadership program in our office. We worked together on various projects and enjoyed getting to know her.

I remember chatting with her as she was getting ready to return to Ukraine. She had been challenged to join the national leadership team and was going to take it on but it made her nervous. This new position meant leaving her home city Lviv and moving to the much larger capital, Kiev.

I knew Natalia would do well. She is a

very competent young woman with a real heart for God and shares his passion for reaching the lost.

If you have been watching the news you will realize that Natalia made her move to Kiev not long before turmoil in

A new law banning public gatherings has sparked stronger protests and violence.

Ukraine would explode.

There are about 107 Campus Crusade for Christ Ukraine staff. The vast majority are Ukrainian. (There are 4 Americans and 2 Swiss staff.) Roughly half of them serve in Kiev, the rest are in other parts of the country.

Please pray for the people of Ukraine. Please pray for our staff that they would be safe. Pray that they would take every opportunity this crisis presents to share the gospel with others. We know from the Bible that what men intend for evil, God can use for good.

We know ultimately in the end that God will work all towards good for the people that love him and follow him. But for now the believers in Ukraine need our prayers for strength, wisdom and perseverance.

Prayer Requests:

- Rachel is allergic to milk among other things and we are adjusting her diet. Thank you for praying.
- Pray for February and March as we will have a lot of travel. Ingrid will be in Turkey and JR will be in Manila and Moscow.
- Pray for email follow up courses being tested in Hungary with new believers.
- Pray for an American couple that visited us last week as they pray to see if God is leading them to be a part of JR's team. They would be a great blessing and help.
