## Family News and Global Collaboration

Dear Friends,

I'm writing this letter from my parent's house in Phoenix, Arizona.

We are here in Phoenix for a short time due to the death of Ingrid's father Ralph. We are glad he is in heaven now and no longer sick but Ingrid's mother and the rest of her family also miss him dearly. We appreciate your prayers for them at this time.

Technology Leaders representing every part of the world.

Earlier in March I spent a week in Bangkok, Thailand meeting with other technology leaders from around the world. It was a good time of collaboration.

Cru has a Global Digital Council that governs our IT efforts world wide. I was elected to sit on that council for a year, representing the Global Technology Leaders group. This is a welcome addition to my responsibilities in

leading the Technology Team for the 20 countries of the Eastern Europe, Russia and Israel region.

God is good even in the difficulties we face in this life. You are a part of God's goodness to us. We thank God for you and covet your prayers,

JR for the whole Peck family

### Prayer Requests:

- Please pray for Ingrid's family as they celebrate their father going home to heaven but also learn to live without him being here with us.
- Thank you for your prayers for JR's time in Bangkok, it was very productive.
- We ran into some issues with the new on-line training system. Please continue to pray that the bugs would be worked out. Initial tests have people very excited about this new way to train volunteers.
- Please pray for our summer plans as they come together over the next few weeks. It looks like another summer where we will be spread out over Europe serving in different ways.
- Please pray for the ministry in Russia. The current political climate is becoming less friendly to our efforts.

JR, Ingrid, Eddie, Rachel and Hannah

Our whole family was scheduled to be in Kiev, Ukraine this week to participate in an evangelistic English camp at the National Aeronautics University of Ukraine. Unfortunately we could not make that trip. The girls are already planning to be at another English camp this summer in Slovakia but Ingrid and I will probably go to Ukraine this summer to meet with the students we missed this month.
