Reaching Students for Christ in Slovakia!

Dear Friends,

We are so excited about the summer opportunities the Lord has given our family to preach the name of Jesus! **Rachel and Hannah have decided to embark on a month long missionary journey to Slovakia.** It is called SpeakOut Slovakia by CRU and is run very similar to SpeakOut Poland which Hannah and I (Ingrid) served at last

serve the Lord and grow in the Lord together. They have raised \$575 so far, but are still in need of \$2375.

If you would like to support them, you can donate to our staff account and we then transfer the money directly to the Eastern European SpeakOut Slovakia account. You can give online at <https://give.cru.org/0558749>. Please enter in the comment field "SpeakOut Slovakia" so we know to transfer the money over to Slovakia. You can always email Rachel at rachelmpeck@gmail.com and Hannah at hannahgpeck@gmail.com to let them know you are praying for them! I know they would appreciate your support. Thank you for considering helping Rachel and Hannah! The next letter is about Ukraine!!

Love,

Ingrid and JR Peck

Prayer Requests:

- Please pray for a critical piece of software JR and team are developing. They are partnering with Ethiopia and Turkey to develop and write software that can be used on cell phones to help staff on the field
- Please pray that all the funding Rachel and Hannah need comes in and that the Lord teaches them and uses them for His Kingdom.
- Please pray for JR and I as we head out to the Ukraine for SpeakOut Ukraine in July! Pray the Lord uses us in the lives of students and transforms us personally as well.
- Please pray for Eddie as he tries out for the Hungarian National Baseball team. If he makes the team, he travels to Poland in July and then travels to Slovakia to serve Roma children at a Christian camp in Slovakia.

The goal of their mission trip will be to develop relationships with Slovakian students, teach them some conversational English, and share Christ with them through their testimony, and several other methods. As their mom, I am very excited they will have the opportunity to
